

## **Bite Procedure**

### **Please treat all bites:**

- Wash injured area with soap and water.
- Notify Administrator (Principal, Director).
- Fill out an accident report. Be sure to state: "bitten by: \_\_\_\_\_".
- Make an assessment as to whether the skin is broken or not and then follow directions below:

### **For skin that is not broken:**

- No further precautions necessary.
- Comfort patient: reassure, ice pack, etc.

### **For skin that is broken:**

- NOTIFY SCHOOL NURSE ASSIGNED TO YOUR BUILDING IMMEDIATELY.
- School nurse will evaluate bite and make recommendation regarding further treatment, follow-up or referral.
- Administrator to call parent(s) regarding incident.
